

Dear Parents,

You can earn money for your School in your child's name. It costs you nothing and it costs the school nothing.

- Just use the S.H.A.R.E.S. Card when you shop at Save Mart Supermarkets, Food Maxx, S Mart foods or Lucky.
- Each time you shop at Save Mart Supermarkets, Food Maxx, S Mart foods or Lucky, using the S.H.A.R.E.S. card, 3% of the eligible points added for your grocery purchase are automatically credited to your school in your child's name.

What is the S.H.A.R.E.S. Card?

- S.H.A.R.E.S. stands for Supporting Humanities, Arts, Recreation, Education and Sports
- It is an Electronic Card that you use when you make purchases of eligible merchandise at any of our stores. Every eligible dollar spent will earn one point for that transaction. Non eligible items would include: postage stamps, money orders, MoneyGrams, BART tickets, ski tickets, gift cards, fuel, Lotto, Lottery, Ticket Master and contributions to organizations such as American Red Cross. Sales tax does not earn points. The register automatically determines the eligible items and awards the points.
- Points are earned after all discounts (senior & Liquor) are applied.

Each time you use your assigned card, 1 point for each eligible dollar is automatically credited to your School or organization under your card number.

To Receive your S.H.A.R.E.S. Card.

- Sign your name below agreeing to order a S.H.A.R.E.S. Card to support your School.

- Each parent is allowed two cards per child in your school. Although you may not need two cards, you may want to give one card to a grandparent or other family member who may want to help raise money for your school in your child's name.
